Hello from Southeast Missouri. I am your newly appointed MAEN President-Elect, Aaron Burton. I have been a part of this organization for the last two years and am proud to serve as a Board of Director member of the Southeast Region. I am the current Alternative School Principal in the Poplar Bluff R-1 School District.

I attended Williams Baptist University in Walnut Ridge, Arkansas where I earned a Bachelor's Degree in K-12 Physical Education while playing baseball. I hold a Master's Degree in Education Administration from William Woods University, and a Specialist Degree in Administration from Southwest Baptist University. I have been in education for 19 years; five years in the alternative school setting and 14 years in administration. I have been an administrator in elementary, middle school, and high school.

I am excited to work alongside all of you. I have a passion for kids and pushing them to be all they can be. Please feel free to contact me if you have any questions, concerns, or suggestions. I look forward to working with each of you.
